PSA CHENNAI CELEBRATES 10TH ANNIVERSARY

On 27 September 2019, Chennai International Terminals Private Limited ("PSA Chennai"), owned and managed by PSA International, hosted celebrations in Chennai for staff, stakeholders and the trade to mark PSA Chennai's 10th anniversary.

Since commencing operations in September 2009, the terminal has handled over 6.9 million Twenty-foot Equivalent Units ("TEUs") and achieved its highest annual throughput of 940,240 TEUs in 2018. The terminal has won the "Container Handling Terminal of the Year" award four times in 2013, 2017, 2018 and 2019 and also holds the productivity record for the South and East Coast of India of 171 moves per vessel hour.

In the morning, a staff event in the terminal honored long-term employees and saw a series of spirited performances and entertainment from PSA Chennai's staff in addition to a video message from Mr Tan Chong Meng, Group CEO, PSA International.

In the evening, a trade meet was attended by officials from Chennai Customs, Chennai Port Trust, Consulate General of Singapore as well as shipping lines and cargo owners, CONCOR and trade bodies.

In his speech, Mr Cyril George, Deputy Chairman of Chennai Port Trust, complimented PSA Chennai on its anniversary and emphasized the key roles of the Port Trust, Chennai Customs, trade associations and terminal operators in transforming Chennai's capabilities as a leading port in the region.

Mr Pong Kok Tian, Consul General of Singapore in Chennai highlighted the strong trade, cultural and tourism links between Chennai and Singapore, whilst Mr Wan Chee Foong, Regional CEO, Middle East and South Asia, PSA International spoke of the future ambitions both of the terminal and PSA in India. Mr Madhanmohan, General Manager PSA Chennai, thanked the trade for their great support over the past decade.

Background

About PSA's Chennai International Terminals Pvt Ltd

PSA's Chennai International Terminals Pvt Ltd (CITPL) in Chennai Port is ideally positioned to tap on the high growth in Chennai, which is steadily emerging as the hub for the Indian East Coast. Shipping services at the terminal are currently connected to Far East, Colombo as well as other Indian ports including Andaman / Nicobar islands through the coastal services. The terminal is designed to handle the new generation of deep-draft container vessels. The terminal's connectivity to Inland Container Depot (ICD) is enhanced by its own dedicated rail terminal which reduces the transit time. It is equipped to serve the growing rail container traffic generated by an ever growing hinterland.

About PSA International (PSA)

PSA is a leading global port group and a trusted partner to cargo stakeholders around the world. With flagship operations in Singapore and Antwerp, PSA's portfolio comprises a network of over 50 coastal, rail and inland terminals in 19 countries. Drawing on the deep expertise and experience from a diverse global team, PSA actively collaborates with its customers and partners to deliver world-class port services alongside, develop innovative cargo solutions and co-create an Internet of Logistics. As the partner of choice in the global supply chain, PSA is "The World's Port of Call". Visit us at www.globalpsa.com.

**Note to Editors: PSA dropped the name of "Port of Singapore Authority" in 1997 when it became a corporatised entity. The company should be referred to as "PSA International Pte Ltd" or simply "PSA".*
